TAVOLA

Arthur Krupp ® introduces a comprehensive range of items in porcelain made in Germany and bone china, a wide selection of professional products designed to meet any need of the Ho.Re.Ca. sector. Whether classic and elegant mise en place, a creative mix and match, or for a refined buffet, Arthur Krupp is the right solution. The high-quality materials and the reinforced edges make these items extremely resistant against chipping, giving them the distinctive features of versatility and durability for daily use.

Arthur Krupp® presenta un assortimento di articoli in porcellana made in Germany e bone china, una gamma professionale pensata per tutte le occasioni d'utilizzo del settore Ho.Re.Ca., dalle mise en place formali ed eleganti a quelle all'insegna dei mix and match più creativi fino a raffinati banchetti e buffet. La qualità del materiale utilizzato, unitamente agli spessori rinforzati, rende queste porcellane estremamente resistenti a urti e rotture, conferendogli caratteristiche di praticità e durevolezza. Ideali per un utilizzo quotidiano e duraturo.

BONE CHINA
SERIES NEVE

ARTHUR KRUPP

Arthur Krupp's professionalism and the charm of fine bone china create a fresh and pure collection. Neve's elegant and simple lines provide a soft balance between the wide-rimmed plates and bowls and the roundness of the coffeeware. The quality, transparency and thickness of the articles exalt culinary preparations of demanding chefs and help buffets stand out, thanks to the stackable pieces.

La professionalità Arthur Krupp e la raffinatezza della fine bone china riunite in una collezione fresca e candida. Neve deve la propria elegante purezza alla semplicità e alla morbidezza delle sue linee, in equilibrio tra le ampie falde di piatti e coppe e la rotondità dell'assortita caffetteria. La qualità, la trasparenza e lo spessore degli articoli concorrono a esaltare preparazioni culinarie di esigenti chef e a contraddistinguere buffet per eleganza e praticità, grazie anche all'impilabilità dei suoi pezzi.

PORCELAIN
SERIES UOVO

ARTHUR KRUPP

Soft and sinuously shaped but strong and extremely functional. The Uovo collection by Arthur Krupp Porcelain finds its maximum expression not only in the coffee line that inspired its name, but above all, in the wide gourmet plate whose shape better shows off all kinds of culinary preparations. Elegant yet durable, with reinforced edges, Uovo is perfect for candid mise en place and versatile contemporary buffets. Arthur Krupp Porcelain offers new proposals and a new mood to the Made in Germany range of porcelains with the stackability of the cups and saucers and the rich extension of cups and bowls.

Morbida e sinuosa nella forma ma forte ed estremamente funzionale. La collezione Uovo proposta da Arthur Krupp Porcelain trova la sua massima espressione formale non solo nella linea di caffetteria che ne ha ispirato il nome ma, e soprattutto, nell'ampio piatto gourmet la cui conformazione è in grado di valorizzare ogni preparazione culinaria. Elegante e al contempo resistente per via dei bordi rinforzati, Uovo è perfetta per candide mise en place e versatili buffet contemporanei. Grazie all'impilabilità delle tazze con i piattini e alla ricca estensione di coppe e coppette Arthur Krupp Porcelain aggiunge nuove proposte e un nuovo mood alla sua gamma di porcellane Made in Germany.

PORCELAIN
SERIES OMNIA

ARTHUR KRUPP

Simple lines, both round and square shapes, suitable to be used individually or rather combined together, according to the needs of the table setting you want to create. Thanks to the particularly wide and deep plates and the square bowls, Omnia can be the source of inspiration for every chef who aims to grab the attention of the guests, creating their own cooking proposal. From breakfast to dinner, from the small and smart restaurant to the banqueting room of a major city hotel, Omnia is suitable for an intensive use as the items are stackable and have reinforced edges.

Omnia è caratterizzata da linee pulite, rotonde e quadrate che possono essere utilizzate in maniera distinta o complementare secondo le esigenze degli allestimenti tavola da realizzare. Estremamente caratterizzante grazie alla particolare ampiezza della falda e alla profondità dei piatti e coppe quadrati, Omnia può essere motivo d'ispirazione per gli chef che, attraverso la personalizzazione delle proprie proposte culinarie, desiderano catturare lo sguardo dei propri ospiti. Dalla colazione alla cena, dai piccoli e raffinati ristoranti ai grandi hotel di città con ampi buffet Omnia è perfetta per un utilizzo intensivo grazie ai suoi bordi rinforzati e alle caratteristiche di impilabilità degli elementi.

PORCELAIN
SERIES ROTONDO

ARTHUR KRUPP

Rotondo has its distinctive features in combining the essential plain items with the particular coup design which provides the ideal stage to enhance the masterpieces of the contemporary chefs. The perfect proportions of plates and bowls make these items suitable to be matched with coffee and tea items as well. Every cup, tea pot and coffe pot of the Rotondo collection can be mixed and matched thanks to their universal stackability. The lids can also serve as plates or can be used to hand around small sweets.

Rotondo trova i suoi tratti distintivi nell'alternarsi di essenziali elementi e piani a particolari forme coup, palcoscenico ideale che ben si presta a valorizzare i capolavori degli chef contemporanei. Le proporzioni perfette dei piatti e delle coppe si coniugano anche nell'estensione tè e caffè. Tutte le tazze, caffettiere e teiere di Rotondo mettono in correlazione tra loro i pezzi rendendoli impilabili. I coperchi, inoltre, modificano la propria destinazione d'uso diventando, all'occorrenza, punti d'appoggio per presentare piccole delizie. Per via della sua robustezza è flessibile ed affine ad ogni tipo di utilizzo e, grazie al minimalismo della sua forma, conserva un'anima "Back to the roots" senza tempo.

PORCELAIN SERIES TRIBAL

ARTHUR KRUPP

Arthur Krupp porcelain is renewed in style and design with a fascinating proposal for the table. Tribal Mood recalls the artistic craftsmanship of the typical African baskets, not only a functional element but also a furnishing one, where the colours evoke the warm savannah sunsets. Fusion Blue & Fusion Grey, on the other hand, are inspired by Far East, in particular by the Chinese ceramic ancient tradition. Original and decisive shades, able to give a strong personality to the table and to bring that feeling of freedom and relaxation that comes when you are immersed in nature or far from the frenetic daily routine.

La porcellana Arthur Krupp si rinnova nello stile e nel design con un'affascinante proposta per la tavola. Tribal Mood richiama l'artigianato artistico delle tipiche ceste africane, non solo elemento funzionale ma anche d'arredo, dove i colori evocano i caldi tramonti della savana. Fusion Blue & Fusion Grey nascono invece da un'ispirazione orientale, in particolare dall'antica tradizione di lavorazione della ceramica cinese. Tonalità originali e decise, capaci di dare forte personalità alla tavola e di regalare quella sensazione di libertà e relax che nasce quando si è immersi nella natura oppure lontano dalla frenetica quotidianità.

FINE MELAMINE SERIES PORTRAIT

ARTHUR KRUPP

Portrait reinterprets the elegance and charm of the Rococo period in a contemporary key. A delicate floral relief with an extremely contemporary material: melamine. An extremely refined collection but at the same time easily contextualizable in classic or design-oriented environments. Its lightness and sturdiness suggest its use also in outdoor situations. Whether it's a buffet, a poolside situation or a relaxing moment in a hotel SPA.

Portrait reinterpreta in chiave contemporanea l'eleganza e il fascino del periodo roccocò. Un delicato rilievo floreale e un materiale estremamente contemporaneo: la melamina. Una collezione estremamente ricercata ma al tempo stesso facilmente contestualizzabile in ambienti in stile classico o designoriented. La sua leggerezza e robustezza ne suggeriscono l'utilizzo anche in situazioni outdoor; un'apparecchiatura o un buffet all'aperto, una situazione conviviale a bordo piscina o un momento di relax nella SPA di un hotel.

MILLS MACINE

ARTHUR KRUPP

NEW

Whether it is salt or pepper, often a few grains have the power to enrich and bloom the soul of a dish. The internal mechanism is the heart of the mill. Carbon steel for pepper, protects the grinder from oxidation, guaranteeing sharpness and resistance to wear. Ceramic resists to salt corrosion. Peppercorns or coarse salt, maybe arriving from some exotic location, are always preferable chopped when needed, thus to fully enjoy all the gustatory and olfactory properties of these delicious spices. Find out how important the final touch is with a simple gesture with our pepper and salt mills.

Che si tratti di sale o pepe, spesso pochi granelli hanno il potere di arricchire e far sbocciare l'anima di un piatto. Il meccanismo interno è il cuore della macina. Al carbonio per il pepe, protegge la macina dall'ossidazione, garantendo l'affilatura e la resistenza all'usura. In ceramica per resistere alla corrosione dovuta all'azione del sale. Il pepe in grani o sale grosso, magari proveniente da qualche località esotica, sono sempre da preferire appena tritati per godere a pieno di tutte le proprietà gustative ed olfattive di queste spezie deliziose. Scoprite quanto è importante il tocco finale con un semplice gesto con i nostri macinapepe & macinasale.

EVA TABLE MATS

ARTHUR KRUPP

NEW

To dress your tables elegantly both indoors and outdoors. Timeless shades, metallic and unique styles for a luxurious finish. To ensure that table surfaces are protected from scratches, leaks and heat. Simple maintenance, they can be cleaned with a damp cloth and neutral detergent without the use of special products. Made of EVA (Ethylene Vinyl Acetate) a plastic material based on polyethylene. It is obtained through a process of co-polymerization of ethylene with vinyl acetate, hence the name EVA. Its fully closed cell structure guarantees its complete impermeability to water, has thermal insulating characteristics, strong elasticity and high softness. Among the advantages it cannot be attacked by fungi and bacteria, it is hypoallergenic and non-toxic.

Per vestire i vostri tavoli in maniera elegante sia all'interno che in esterno. Tonalità senza tempo, stili metallici e unici per una finitura lussuosa. Per garantire che le superfici dei tavoli siano protette da graffi, perdite e calore. Manutenzione semplicissima, si puliscono con un panno umido e detergente neutro senza l'uso di prodotti appositi. In EVA (Etilene Vinil Acetato) un materiale plastico a base di polietilene. Si ottiene attraverso un processo di co-polimerizzazione dell'Etilene con Acetato di Vinile, da qui il nome EVA. La sua struttura a celle completamente chiuse ne garantisce la completa impermeabilità all'acqua, ha caratteristiche termoisolanti, forte elasticità ed una elevata morbidezza. Tra i vantaggi dell'EVA l'inattaccabilità da parte di funghi e batteri, è anallergico ed atossico.

INOX STAINLESS STEEL

ARTHUR KRUPP

Practical elegance. The brightness of the steel will get your guests carried away with its shining. Whether for breakfast, brunch or happy hour, during a business lunch or a romantic candlelight dinner, all table settings will be stylish and chic.

Pratica eleganza. La lucentezza dell'acciaio coinvolgerà i vostri ospiti con riflessi di luce. Ogni tavola sarà così valorizzata da uno stile ricercato in ogni momento della giornata: a colazione, per il brunch o l'aperitivo, durante i pranzi d'affari, nel corso di romantiche cene a lume di candela e nei dopocena tra amici.

SILVERPLATED ARGENTATO

ARTHUR KRUPP

AG

The absolute purity of the silver is the basis of the quality of the Arthur Krupp silver production. Compared to traditional silvering, the exclusive H§P technique applied to the products offers higher hardness and resistance to the coating. The silvering made internally has been developed and finalized over the years thanks to a unique automated galvanic electroplating cycle.

La purezza assoluta dell'argento è alla base della qualità della produzione argentata Arthur Krupp. Rispetto all'argentatura tradizionale, l'esclusiva tecnica H§P applicata ai prodotti offre maggior durezza e resistenza al rivestimento. L'argentatura realizzata internamente è stata sviluppata e finalizzata negli anni grazie ad un singolare ciclo di elettrodeposizione galvanica automatizzato.

ARTHUR KRUPP

PVD

PVD (Physical Vapour Deposition). This special treatment hardens the steel and optimizes its resistance to both rubbing and corrosion, keeping the materials foodsafe. A shining colour to give to your table a touch of originality. The brightness of the steel combined with trendy colours give to the holloware fine shades.

PVD (Physical Vapour Deposition). Un processo che conferisce all'acciao maggiore durezza e resistenza all'usura e alla corrosione, mantenendo l'idoneità al contatto con gli alimenti. Un colore brillante e lucente per regalare alla tua tavola un tocco di originalità. La lucentezza dell'acciaio unita a colori di tendenza, regala al vasellame vigore e sfumature pregiate.
